The Court having considered all materials and arguments presented by both parties and all substantial evidence discovered and collected, the **National Jural Society** finds fact as:

- 1) **Nnakina Xi-Amaru** and **Zaatnure Xi-Amaru** did attempt indeed and acts to take over **ARNA-IPA** headquarters location and functions without consent from the current active **National Executive Chief of ARNA**, without proper constitutional counselling, protocols, procedures and processes from any **House of Parliament**, and without any legitimate referendum or electoral votes.

- 5) Nnakina Xi-Amaru and Zaatnure Xi-Amaru did coerce other nationals to violate the Constitutions and the rights of other nationals.
- 6) Defendants did refuse to turn over funds and client file book data as required by all jurists in contract, as evidenced by public statements made by Defendants.
- 7) Defendants did delay the making of payments to headquarters due to private use of funds for personal bills.
- 8) Defendants did take funds from nationals and other clients through excessive and unreasonable charges.
- 9) Defendants did not follow the aboriginal jurists fee schedule for services offered.
- 10) Zaatnure Xi-Amaru did physically assault his wife, Nnakina Xi-Amaru.
- 11) Nnakina Xi-Amaru and Zaatnure Xi-Amaru did steal, act deceitfully, tell lies, commit transgressions against their own value system, cause disruption of peace, act hastily and without reason and thought, overstep the boundaries of their rights, unlawfully exaggerate their words when speaking, speak angrily and arrogantly without purpose, unlawfully place themselves on a pedestal, and speak scornfully in an unjust manner.

1) **Nnakina Xi-Amaru** and **Zaatnure Xi-Amaru** have violated the **ARNA-IPA** Constitutions:

Preamble, by threatening the defense of the Nation and the complete unified will for progress and prosperity by and for Our People.

2) **Nnakina Xi-Amaru** and **Zaatnure Xi-Amaru** have violated the **ARNA-IPA** Constitutions:

Declaration & Affidavit of Rights of All Aboriginal Indigenous Peoples, clause 2, by attempting a coup and transfer of the office of Aboriginal Chief outside of election season as a national by privilege and not by natural right. **ARNA-IPA** was exclusively created for the oldest lineage of Aboriginal peoples native to the land defined as the continental United States, who have been unlawfully denationalized and made prisoners of war, so-called *slavery*, and labeled under the misnomers *Negro* and *African-American*. These Aboriginals are the only lineage of people who can become **ARNA-IPA** Nationals by natural right, being born with *jus soli* and *jus sanguineous* to the land of the continental United States. An aboriginal of any other lineage or other land of nativity may become an **ARNA-IPA** National, only through the privilege of marriage to an **ARNA-IPA** National. The **ARNA-IPA** Constitutions and Plebiscite states, “*The society cannot prohibit its Aboriginal Nationals who are Nationals by Natural Right...*”, in the Declaration & Affidavit of Rights, clause 2. The society can prohibit the rights and activities of those Nationals by privilege, one such prohibition being disqualification from the right to hold a public office. The right to hold the seat of Aboriginal Chief, or any other governmental

representative office, is exclusively that of those Nationals by natural right, and the Aboriginal Chiefdom system is not subject to any revision, pursuant to **ARNA-IPA** Constitutions Article 91.
