Mission Statement

The S.O.S. is a *rites of passage organization* for Men within the jurisdiction of the Aboriginal Republic of North America and the IPA sanctioned via ARNA Constitutional decree. Its primary function is to teach train and instruct Aboriginal Men into the traditions, cultural value systems, moral code, and sciences and arts of the Original People of the planet Earth. We aim to enhance the quality of life of all Men of the human family by being advocates for and a living example of what it means to be civilized and the Father of Civilization and the definition of a functional husband father and leader. Our Motto is a Nation can rise no higher than the state of its Women, and thus if Man is her primary protector then she cannot accomplish this without his support and protection and thus we partake in the task of removing all of the effects of colonization upon the Original Men so that we can actively engage in building our Nation and sustaining our nation in perfect harmony with our Brothers our Wives and our most prized jewels our children.

Formulas for accomplishment of Our Mission

In order to accomplish the said mission of the S.O.S. we must understand the science and art of governing oneself and the awesome power and responsibility of man in the governing science of civilization.

The 12 Ministries of our Nation are the bedrock for implementing the cultivation of all Men and women in our society-nation. They also show us the roots of the traditions that our ancestors lost and how we are to reconfigure this traditional way of life of the Original People back into our lives.

Life is both an Art and a Science

The Science (Masculine) gives us the guide for the divine and absolute laws that are the foundation of our spiritual success as a people. The Art (Feminine) shows us the beauty of life and humanity and inspires us to love, nurture, and express ourselves freely within the confounds of the law.

The S.O.S. rites of passage program is made to tap into the potential of all Original Men through proper initiation into learning what Manhood is based on the Science and Art of life. We do request all members to avoid those things that bring disgrace upon the Original Man and to implement those things that bring confidence and accountability to Men. Simply put we are authentic in

expression not fad followers or trend hoppers. And definitely NO we are not above our people. We simply understand that many of our brothers have been by default irresponsible in regards to their duties as men due to colonization. We are here to end that irresponsibility and to regain the respect our Nation deserves based upon our actions. This is the training we provide.

GENERAL PRINCIPLES OF MORAL CONDUCT

The Aboriginal Republic of North America asks all Nationals to strive to carry the moral conduct needed to establish order and justice for our People. With this in mind we place the 42 declarations of Law (MA'A[1]) into this DOS Manual from our Constitution as a Moral Code for all Nationals. The word Ma'a means the Law of Manifestation and is THE law of the universe meaning that every cause produces an effect thus the law of the Creator is Perfect and NEVER unjust. The weighing of the scales of life and how they move is ALL based on our actions and NOTHING else. Maa, then is that which is right, truth, justice, harmony, and reciprocity and whether it works in our best interests is SOLELY based on our behavior and level of a knowledge of self. Ma'at is the Outcome of the laws of Maa. The Moral Code below simply entails the laws that create a moral people, community, and Nation. This is the only true Sovereignty, the making and maintenance of Peace. The 42 Laws of Ma'a were first inscribed by Aboriginals into the Papyrus of Ani in the 18th Dynasty of Ta-Mry during the rule of our Aboriginal cousins. For that purpose we use it as a good moral measuring stick. The Ancient Aboriginals of Ta-Mry (so called Ancient Egypt) who are spread throughout the Earth are are our distant cousins and in our lineages the distance of which came about after the great earth cataclysms. These principles do not conflict with the religious and spiritual rights of any Nationals, group, or community and are placed in this Constitution to create a unified foundation for moral discipline and order within this Rites of Passage Society.

All Original Men who practice righteousness civilization and proper conduct as Men should avoid all ways of the colonizers that disrupt our science of life. With that being said most of us take on the dress of the colonizers and often it is gay men at the head of deciding what most people in America call standard dress. We must avoid this and bring back the Power and appearance of righteous Men. Real Women are attracted to righteous conduct and appearance in Men and if you are not married and want to attract a real woman into your circumference then your appearance has everything to do with attracting the right woman.

S.O.S. Dress Rules:

1.) Honor is the theme here. Original Men do not wear unkept hair or beards. All Brothers should be clean. We do not wear sagging jeans, clothes that expose our bodies or private parts.
Men should always be clean, upright, and exude the confidence that comes with being Original. There are specialized applications to personal trainers body builders and other special case scenarios. The DOS is the arm of the society that has developed our Aboriginal Birth Specialists (Midwives) and Doula Certification. Our aim is to teach and train Indigenous women in natural childbirth in order to protect the sacredness of childbirth. The Mother ,Child, and Father deserve a safe loving environment for this great event of manifestation. Men are to take these courses with their wives in order to be fully prepared for childbirth.

In order to insure the integrity and privacy of women no Man should have to expose her sacredness to any other man besides her husband. With this sacred understanding in mind Men along with their wives should be the primary advocators of natural childbirth in well-guarded and sacred environments of peace relaxation and security. The modality of the birth processes used by the colonizer creates stressful environments, embarrassment, and an inability for a woman to relax around loved ones in the delivery of her children. Men have the duty to assist in providing and securing this environment.

SOS & DOS Tribal Birth Specialists

SOS & DOS members may take the Tribal Birth Specialist Certification Classes in order to become specialized in the various techniques implemented to insure safe delivery of the child and proper protection of the mother through proper training. ARNA has sparked a revolution with at home births among the Original people and we want to continue to promote this sacred art & science through proper guidance knowledge and classes that provide the necessary knowledge to bring our children into the world.

FORMAL Recognition as an Aboriginal Nation

There is no birth date for the Aboriginal People. We have been here on this planet for eons of time. Our governments have existed for eons of time. The invasion colonization and expansion of non-aboriginal people brought about the slow decay of the governmental infrastructures of Aboriginal Nations. We consider these acts, which cause the loss of the political status of Indigenous Peoples a holocaust carried out by genocide and denationalization. The 20th Century brought about a change in the colonization phase as many Aboriginal Nations began to reclaim their Political Autonomy. As Aboriginal Peoples and specifically as Aboriginals (Xi-Amaru) we have the oldest record of participating in Nation State Governments as Aboriginal Peoples in this geographic area.

The Plebiscite of the Aboriginal Republic Of North America ARNA was formally recognized by the United States Department of State on March 6th 2006. We received the formal witnessing signature of the Secretary of State Condoleezza Rice [Executive Branch] and the witnessing seal of the United States federal Government [form 06013144-1] based on Article 4 [Authentication] & Article 6 [Supremacy Clause] of the United States Constitution, both Articles being based on International Law in full accordance with CFR 22 131.1 & 131.2 and in accordance with USC 4 Section 42.

On January 12th 2006 the Commonwealth of Pennsylvania formally recognized our plebiscite with the witnessing signature of the Secretary of State Pedro A. Cortes [Executive Branch] and the witnessing seal of the Commonwealth of Pennsylvania [form 200601853].

On December 29th 2005 Philadelphia County (Shaykhamaxum – one ancient seat of our Nation) formally recognized our plebiscite with the witnessing signature of Prothonotary Stanley J. Chmielewski and the witnessing seal of Philadelphia County [form 96-07025], along with official witness made by Patricia Franklin witnessing the seal and signature of Chief Executive Minister Amaru Namaa Taga Xi-Ali also known as Dr. Abdul-Ali Muhammad.

By the above noticing actions, the plebiscite for returning the political identity of Indigenous Nationals of the Aboriginal Republic Of North America and the Aboriginal Republic of North America became formally recognized [by all levels of government in respect to the United States] from their historical headquarters Shaykamaxum now called Philadelphia County and the headquarters for an International Aboriginal Association of Indigenous People was formally established by our actions of reforming our Indigenous governmental system. We have relocated our headquarters to Atlan Nohol (Atlanta, Georgia Republic)

AMENDMENT: In all prior Protocol Manuals, documents, and other instruments of our nation, the use of the term “International Indigenous Society & Internal Society of Indigenous Sovereigns has herein been amended to

“Indigenous Political Authority”.

FURTHER INTERNATIONAL RECOGNITION

The Aboriginal Republic Of North America is providing an opportunity for all Aboriginal Peoples of the North American continent to be at the forefront of the World Indigenous Movement. We have officially recorded our Constitution with DOCIP which is the Indigenous Peoples' Center for Documentation, Research and Information in Geneva Switzerland. As of 2010 and 2011 with our Aboriginal Summit the International Political Authority has provided an opportunity for all Aboriginal Indigenous Peoples who have come under the colonial corporate control of non-aboriginal people to declare their Interdependence in an Indigenous Government and International Association that is for all Indigenous Peoples. THE SUN IS TRULY RISING FROM THE WEST!

The Aboriginal People Nationality

- We are Aboriginal Americans (Xi). Our descendants are the Oldest Americans then called the Xi People. Historians mistakenly call us The Olmecs/Mayans. We are the pyramid and mound building civilization of the Western Hemisphere. Our current work is to reinstitute Indigenous Government for those who have lost their nationality through genocide and denationalization

Our Original Nationality

The Aboriginal Indigenous Peoples of North America are the Ancient 'people' or Xi. After Great cataclysmic destructions took place over various periods the land masses separated into the modern seven continents we have today our Ancient Aboriginal Indigenous Ancestors migrated to safe locations throughout the Americas Pacific landmasses and Africa on the planet after these great destructions took place. Those ancient empires are called Xi misnomered Zealandia, Lemuuria, Olmec, and Atlan or Atlantis. The oldest empire of the east since those ancient empires distributed its knowledge is the Empire of Tawi also called Taa Mry. We sometimes refer to those jurisdictions as Egypt, Ethiopia, and sometimes Ancient Africa. Taa Mry is the name we will find in variation in some of the oldest glyphs in the east.

The Creators Nation-Aboriginal Peoples

Our Indigenous records tell us who or what the Creator (God) is and developed an entire cultural system around that power (Tzulukin meaning to braid light – Original Intelligence). When studied we can see that the system is designed according to the terms of Indigenous Astro-physics and mathematics. According to our ancestors the Creator (God) IK Nab Nal (Black Water Place) is the cosmological state that the first being manifested from and continually manifests from. The Creator is one who by nature does NOT experience entropy and thus remains infinite and holds the secrets of order manifestation and wholeness within the cosmology of our system. To be successful we are to use these principles from nature in governance. Based on the general laws of Indigenous culture expressed as an ancient astrophysics, this then says that this Creator (God) must be Black (IK) to cover the full wavelengths of the electromagnetic spectrum (Allowing no escape of radiation waves) and must be infinite in its capacity to contain all other mass, energy, and temperature. We called the origins Mih and equated it to the shell of an (ahk) Turtle. Mih means zero, the origin in mathematics.

Throughout periods we used Indigenous Spirituality (Divination) as a means for preserving this knowledge wisdom and as a means for comprehending addressing all situations in life. It is still with us in the Tzulu k'in system that we use today in ARNA and the Xi-Amaru Klan. We Have an entire department that studies these traditions within the ARNA Department of Psychology and the Ministry of Cosmology & Spirituality.

THE IPA- Plebiscite- & Tribal Government

What Is the Indigenous Political Authority?

The Indigenous Political Authority is an International Indigenous organization and indigenous Human Rights Institute that works to assist the A.R.N.A. at implementing the objectives of the Indigenous Peoples and other governing bodies and organizations working agendas of freedom for Aboriginal and non-aboriginal peoples.

We understand that we must INTERFACE with other groups and nations of people. The Indigenous Political Authority is here to do that work.

All nationals of ARNA not in conformity with the standards duties and responsibilities of the ARNA can be demoted to the IPA by the Chief or a Jural Society or national Court. A Demotion by the chief is appealable to the National Jural Society or Aboriginal High Court or Arbitration body assembled for that purpose

Here are a few political objectives that We see as important to Aboriginal Peoples:

1) All Aboriginal Indigenous Peoples and Nations have a right to Autonomous Governments operated and ran by Aboriginal Peoples and dual nationality within the States that they have a jus soli right in.

2) All Aboriginal Peoples have a right to live according to their ancient cultural and law paradigms as long as they respect, honor, and maintain peaceful relationships with other Nations and Nation States.

3) All Aboriginal Peoples and Nations have a right to proper lawful use of the lands that have been colonized by Corporate Nation State governments including the right to retain the Aboriginal Place names of areas and jurisdictions and the Protection of all property and property held in title by Government instrumentalities whether it be Intellectual or Physical Property and a right to reclaim lands that have been unlawfully taken via proper procedures at law.

4) All Aboriginal Peoples have a right to voluntarily choose to be nationals of Nation States they have jus soli rights with or to not be nationals of Nation States via their own elective right.

5) All Aboriginal Peoples and Nations have a right to protect their Spiritual, Cultural, Economic, Health & Medicine, Educational, and Governmental Institutions from Corporate Nation States and the influence of the operation of Corporate Nation States

International Laws that support these active agenda items of Indigenous Peoples

ARNA Constitution & treaties

United Nations Universal Declaration of Human Rights

United Nations 60-147 – Right to Reparation and Remedy for Victims of Human Rights abuses

UN – 61-295 Declaration of the Rights of Indigenous Peoples

Organization of American States – Declaration of the Rights of Indigenous Peoples

National Plebiscite Activity

The National Plebiscite operation, education, and implementation is the foundational aspect of the work of the Indigenous Political Authority. The Purpose of the Plebiscite is to Properly proclaim the Nationality of as many Indigenous Nationals of ARNA as possible in order to do the work of Implementing the political autonomy of Indigenous Peoples and thus have a great right and responsibility to bring solutions to the problems that our people face. In order to do this our people must be reoriented to exactly who they are by nature and politically.

The objectives of the National Plebiscite are:

To teach and educate Aboriginal Peoples, who do not know that they are Aboriginal, the historical documented facts that prove that they are aboriginal through various means including genealogical searches done by ARNA anthropologists and researchers.

To teach Aboriginal Peoples who have learned that they are Aboriginal the process and procedure that they must go through in order to ***procedurally*** proclaim their nationality

To get all Nationals to participate in our Universities, the **Aboriginal University being the founding University,** in order to learn the profound levels of information that our Ministers have in the 12 Ministerial Councils and Departments so that they can choose which Ministry that they would like to participate in for the functioning of the Nation and sharing their Indigenous gifts talents and purpose with their nation.

Political Questions of the National Plebiscite

1) Are the Indigenous people who have been misnamed Negroes and African-Americans, properly politically termed Aboriginal Americans, (Xi-Amaru), the first and true aboriginal Indigenous Peoples of the Americas?

2) Secondly do the Aboriginal and Indigenous Peoples of the Americas have a natural right and political right to an autonomous nation or nations – nation states?

Aboriginal Nationality & Governments

The Arts & Sciences of Aboriginal Peoples are resurfacing at a great pace. The Peoples of the Planet earth are returning to 'Natural' methods of life processes and technology. The Aboriginal Paradigm is the New Gross Domestic product for Indigenous peoples. As Aboriginal Peoples NOONE is more suited to bring about the Resurrection of Aboriginal Arts & Sciences and Governing Principles than Aboriginal Peoples themselves.

What is an Aboriginal Government?

An Aboriginal Government is a Government that operates off of Natural Law Principles and therefore it is a Government of Peace that maintains peace, justice, and truth. There is no homelessness in an Aboriginal Government. There is no poverty in an Aboriginal Government. There is no famine in an Aboriginal Government because our number one principle is sharing. There is no crime in an Aboriginal Government, that is sustainable influence, because of our natural law system. There is no abuse in an Aboriginal Government that can sustain itself. We remove it immediately. We have to move towards these natural law states of existence in order to produce a healthy society. There are no non-aboriginal peoples operating in Representative Capacity or national capacity in an Aboriginal Government. There is Divine Order in Aboriginal Governments. There is a proper peaceful relationship between man and woman in an Aboriginal government. A Healthy Heterosexual Family is the root and axis of the Aboriginal Government. The 1st Book of the Creator (Nature) in ARNA is the root of a successful National, a successful family, and a successful Nation.

Aboriginal Governments Must have:

- A Historical knowledge of their existence as a Nation including their language, systems of law, cultural practices, what caused their decline
- National Government with functional Councils and Departments
- A Constitution
- A Security Force
- A Landmass that they are Indigenous To
- A System of Laws that is Absolute in Character
- Gross Domestic Products
- Aboriginal Courts

Summary

The DOS is again thankful to the participation of all of its members and may we work together as the Original Father of Civilization to bring a renaissance of the culture of Indigenous Peoples for the upliftment of humanity through the principle of Fatherhood
